

RESPIRATORY CARE PRACTITIONER INTERNSHIP SUMMER 2026

Join Kaiser Permanente to **gain real-world respiratory care experience as a paid intern**. The internship is an opportunity to **strengthen** your practice, **build confidence** as a practitioner and **network** with Kaiser Permanente staff.

About the internship:

- Dayshift
- Approximately \$25 per hour
- Up to 240 hours over 8 to 10 weeks

Internship requirements include:

- Enrolled in Bachelor's RCP Program at an approved college
- In good standing with school
- BLS, PALS Certification

Recruitment begins Jan. 2026

Connect with your program director to express interest. Spots are limited – top students will be selected through a competitive process.
