

# 2025 Research & Innovation Academy Conference

Call for Poster & Podium Abstracts due March 3<sup>rd</sup>!

DECADE OF INSIGHTS:  
**A Research Journey of Excellence**  
May 14 + May 15, 2025  
Pleasanton (Marriott), CA

**The 2025 RIA Conference will focus on advancing EBP & Nursing Research at Kaiser Permanente Northern California to:**

- Promote the advancement of nursing science and practice at Kaiser Permanente Northern California
- Share results of research, evidence-based practice (EBP), and quality improvement projects
- Increase knowledge of clinical research, EBP methodologies and resources
- Provide a professional forum to discuss Kaiser Permanente's evidence-based practice model to guide evidence implementation
- Foster partnership and collaborations among clinicians, researchers, educators, and leadership
- Stimulate inquiry to identify new nursing research and evidence implementation questions to advance clinical practice and patient outcomes
